

VICTORIA PARK

Love the Park – Join the Friends

Friends of Victoria Park (FoVP) are a group of volunteers who believe that Victoria Park is a hugely valuable green open space that should be protected and improved. We work to improve the park and its facilities for the enjoyment of everyone in the local community.

Victoria Park is undergoing several major enhancements resulting from Council and third party investment in park facilities as well as from extensive preparations for hosting the 2022 Commonwealth Games bowls events. As a formal, not-for-profit community organisation, FoVP help our local authorities use park funds in line with park user priorities.

FoVP is particularly focused on Warwick District Council's investment of £300k to "create an exciting and bespoke play space to replace the existing play area" and we have been heavily involved in assessing proposals that will result in a fantastic new play facility later in 2021.

Several other park improvements are also underway and FoVP members are kept fully up-to-date via regular email bulletins.

For further information, see www.friendsofvictoriapark.co.uk and send any questions to contact@friendsofvictoriapark.co.uk.

N.B.

By applying to join Friends of Victoria Park, you understand that the Membership Secretary may hold your details on a computer but that these will only be used in connection with your membership of the Friends of Victoria Park and will not be passed to any third party.
